

Bozolandia Basic Criminal Acts Act

This Bill may be referenced as the “Basic Criminal Conviction and constitution reform Act 2024”

This bill aims to enforce basic and standardised laws within the bounds of Bozolandia. This Bill will ensure that citizens maintain the 6th Amendment of Bozolandia. It also aims to clarify the Bozolandia constitution.

The following laws will begin enforcement on the passing of this bill.

Disruption of the peace – As per the 6th amendment “The Government will maintain a peaceful environment within the bounds of Bozolandia. This includes the Bozolandia discord server, the Bozolandia virtual State, and all Bozolandia diplomatic conventions” We the government must uphold a peaceful environment within the bounds of Bozolandia

Assault of a Government official – If a person or persons forcefully assaults a government official they will be subjected to a minimum of 1 week prison time, if the victim chooses to press charges.

All of these laws build upon the standard laws as set by the New Zealand Legislation.

Constitution clarification

Amendment 1:

The Government agrees to build upon the law, not destroy it. The Government Agrees to only dissolve a law if necessary. (Necessary constitutes if the bill causes un-intentional harm to citizens, If the bill forcefully de-classifies classified Government information. If the bill receives a majority vote of 80% from Congress, or the public.

Amendment 2:

The Government ensures that the Bozolandia Discord server will never be Abolished, nor will it be destroyed. It shall remain a place of free speech, as long as the citizens abide by the law.

Amendment 3:

The Government agrees to never unlawfully or unfairly terminate a citizen's Citizenship to Bozolandia. In the event that they do, Congress will ensure that Justice will be met. A citizen may only be terminated if they break the laws of Bozolandia. Or are voted to be terminated by a court of competent jurisdiction.

Amendment 4:

The people have a right to Vote off the current sitting President, or Vice President as long as the vote is a majority of 90%, not including the President, or Vice President.

Amendment 5:

The people have a right to free speech, all citizens have the right to say what they Want about anyone, or anything. A citizen cannot, and will not be punished for Stating their beliefs, unless they possess an intention to cause harm to another Person's.

Amendment 6:

The Government will maintain a peaceful environment within the bounds of Bozolandia. This includes the Bozolandia discord server, the Bozolandia virtual State, and all Bozolandia diplomatic conventions to the best of their ability.

Amendment 7:

The President will always have control of Bozolandia just beneath the Founders. The Vice President shall follow and will be required to approve all bills pushed By the President unless the country is in a national state of emergency, or the bill is classified. All bills made by any entity other than the Founders and the president must be approved by the 70 percentiles of congress to Pass.

Amendment 8:

The people have a right to nominate Whoever they believe is a fit candidate for the position of President, and Vice president.

Amendment 9:

The President has a right to Announce a national state of emergency if he deems necessary. In the event that the country enters a national state of emergency the president has full control to allocate 25% of the total funds stored in the Bozolandia National Bank (furthermore referred to as the "BNB") and 10% of all funds stored in the Treasury.
