

Bozolandia constitution

24/08/24 11:53 PM. Isaiah Edgecombe (Current President, and Founder of Bozolandia)

Amendment 1:

The Government agrees to build upon the law, not destroy it. The Government Agrees to only dissolve a law if necessary.

Amendment 2:

The Government ensures that the Bozolandia Discord server will never be Abolished, nor will it be destroyed. It shall remain a place of free speech, as long as the citizens abide by the law.

Amendment 3:

The Government agrees to never unlawfully or unfairly terminate a citizen's Citizenship to Bozolandia. In the event that they do, Congress will ensure that Justice will be met.

Amendment 4:

The people have a right to Vote the current sitting President, or Vice President as long as the vote is unanimous, not including the President, or Vice President.

Amendment 5:

The people have a right to free speech, all citizens have the right to say what they Want about anyone, or anything. A citizen cannot, and will not be punished for Stating their beliefs, unless they possess an intention to cause harm to another Persons.

Amendment 6:

The Government will maintain a peaceful environment within the bounds of Bozolandia. This includes the Bozolandia discord server, the Bozolandia virtual State, and all Bozolandia diplomatic conventions

Amendment 7:

The President will always have control of Bozolandia just beneath the Founders. The Vice President shall follow and will be required to approve all bills pushed By the President. All bills made by any entity other than the Founders and the president must be approved by the 70 percentiles of congress to Pass.
