

Bozolandia National Bank Management Act

This Bill may be referenced as the “BNB Management Act 2024”

This Bill aims to create a coherent and understandable way of managing the Bozolandia National Bank (Furthermore referred to as “BNB”). It aims to insure people who abuse the power of the BNB will be sentenced to a just punishment as decided by the court.

Immediate action

On the passing of the Bill, All official BNB bank accounts will be reset, and re-distributed to ensure all Citizens start with a common balance of \$25,000 BGD. The treasury will start with a balance of \$3,500,000,000 BGD and the BNB will start with a balance of \$45,000,000,000,000 BGD.

In the event of misappropriation

In the event that government or personal funds are misappropriated the funds will be returned to the owner, all products will be returned, unless impossible. The entity responsible for the misappropriation will be held in a court of competent jurisdiction. If the Court finds the Entity to be guilty, they will be charged with Embezzlement and will be charged with a starting sentence of 2 weeks prison time.

Management of personal funds

Personal funds will only be transferred if the name holder of the account authorises it, whether this be digitally, or using a check, The name holder must be the persons to authorize any and all transactions made through the BNB.

Management of the Bozolandia National Bank

Control of the BNB will always be maintained by the Bank holder. Restricted access will be granted to the Secretary of the Treasury. Unless accused of embezzlement.
